****Letter from the President****

I would like to thank all of those who participated in the 2009 Bismarck Soccer League (BSL) season! It was a great success. The 2010 BSL season will begin soon. BSL is a recreational soccer league that provides children from Kindergarten through 6th grade a safe and fun environment to play and learn the fundamentals of soccer, along with building sportsmanship and meeting new friends. We are a volunteer, community supported league, and we are always looking for new people to help us keep BSL running smoothly. If you are interested in volunteering or have suggestions or questions, please feel free to contact Stacy, Executive Director, or any of the board members. We would like to thank all of you that volunteer to coach and for allowing your children to participate in the great sport of soccer; it is all of you that make our program a success!

Thank You,
Al Burgard
President Bismarck Soccer League
