If you are interested in being a soccer referee contact BSL at 258-4267.

The Bismarck Soccer League is set to start a new chapter in their existence. At the 2011 Annual General Membership Meeting, BSL voted to merge with the Dakota United Soccer Club. We are all very excited about the potentials of this merger. This merger has been something our two clubs have been discussing and thinking about for some time. It makes sense economically. It makes sense geographically. And most importantly it makes sense for our players. Soccer in Bismarck will now all be under one roof. We will be able to improve soccer opportunities and facilities for all players in Bismarck.

With this merger, the Bismarck Soccer League will become the recreational soccer division of the Dakota United Soccer Club. We will remain a volunteer-run organization whose primary goal is fostering your child's enjoyment of, and improvement within, the game. BSL will continue to offer recreational soccer in the spring and fall for children in Kindergarten through 6th grade.

The 2012 Girls spring soccer registration is set to begin in January!

One of the goals of recreational soccer is to introduce soccer to children and let them have fun. Soccer in our state keeps growing as more children and parents discover how much fun kids can have playing soccer with their friends. I wish everyone partaking in the 2012 soccer season all the success and enjoyment this game can bring to our soccer youth.

Thank you,
Perry Sullivan
President Bismarck Soccer League

BSL is in need of new volunteers! Please consider volunteering for one of the open positions. Very little time is required! Please contact BSL at 258-4267. Thank You!

*******REMINDER*******

The registration form asks for the grade your daughter is currently in. Please double check this to make sure they get on the appropriate grade team! THANK YOU!!
